- having devised and intending to devise a scheme and artifice to defraud and to obtain money and property by means of materially false and fraudulent pretenses, representations, and promises, knowingly and willfully transmitted and caused to be transmitted by means of wire communication in interstate commerce writings, signs, signals, pictures and sounds.
- 10. Beginning in or about 2001 and continuing until in or about June 2006, EHEE represented to investors in the Viper and Compass Entities that he would invest their funds in the securities markets and employ complex trading strategies to earn high returns with less risk than is ordinarily associated with such returns. Instead of investing the funds as promised, EHEE secretly diverted most of the funds for improper purposes. Principal among these purposes was the payment of existing investor distribution obligations using new contributions from other investors, and payments for the benefit of EHEE and his family.
  - 11. In order to lull investors into believing that he was investing and managing their money

successfully, EHEE transmitted through the mail and wires in interstate commerce materially false and misleading account statements to investors. EHEE also prepared and transmitted in interstate commerce to one investor and its accountant false and fictitious audit opinion letters.

12. In order to execute the scheme and artifice to defraud, and to obtain money and property by means of materially false and fraudulent pretenses, representations, and promises, EHEE knowingly and willfully transmitted and caused to be transmitted by means of wire communication in interstate commerce, among other wires, (a) on November 12, 2003, a wire transfer of \$300,000 from a CFM bank account in San Francisco, California to an investor's bank account in Pennsylvania; and (b) on June 27, 2006, an email from EHEE in San Francisco to an investor's auditor in Maryland, attaching a false audit opinion.

All in violation of Title 18, United States Code § 1343.

COUNT TWO: (26 U.S.C. § 7201 – Tax Evasion)

13. On or about April 15, 2006, in the Northern District of California and elsewhere, the defendant,

## **EDWARD SEWON EHEE**

well knowing and believing that he had received taxable income of approximately \$240,500 in the tax year 2005, and that there was owing to the United States of America an income tax of approximately \$75,640 for that year, did willfully attempt to evade and defeat the said income tax due and owing by him to the United States of America for the tax year 2005, by willfully failing to submit an income tax return on or before April 15 of 2006, as required by law, to any proper officer of the Internal Revenue Service, by failing to pay to the Internal Revenue Service said income tax, and by affirmatively attempting to evade or defeat said tax by, among other things (a) making a series of fund transfers among the accounts of CWF, CFM and EHEE, (b) making false entries in the books and records of CWF and CFM, (c) making lulling payments to investors to avoid detection of his fraudulent scheme, and (d) causing false partnership returns for CWF, CFM and the Viper Fund to be filed with the Internal Revenue Service.

All in violation of 26 U.S.C. § 7201.

COUNT THREE: (26 U.S.C. § 7206(1) – Making and Subscribing False Returns) 14. On or about April 17, 2006, in the Northern District of California and elsewhere, the defendant, **EDWARD SEWON EHEE** did willfully make and subscribe a Form 1065 return for CWF for the tax year 2005, which was verified by a written declaration that it was made under the penalties of perjury and was filed with the Internal Revenue Service, which said Form 1065 return he did not believe to be true and correct as to every material matter in that the said Form 1065 falsely reported that CWF held \$3,795,314 in assets invested in the Viper Fund. As EHEE then and there well knew and believed, as of the end of 2005, no money was invested in the Viper Fund. All in violation of Title 26, United States Code, Section 7206(1).
